

Pinewood Derby Race Day Checklist

Items to bring or things to do;

- Car has been weighed in and is at maximum weight allowed
- Do not play with your car
- Graphite lubricant and small paint brush
- Extra wheels and axels in case you or a friend has an accident
- Super glue to glue in a loose axel or car part
- Small hammer
- Pliers
- Lubricate as often as rules allow with graphite and paint brush
- Take moment to stage your car before the start of each race
- Use aiming marks to point the car straight down the track
- Gently pull wheels outward so the car starts without them rubbing on the side of the car.
- Show good sportsmanship, win graciously and congratulate other winners
- Have fun!
- Save parts in convenient container for next year
